Jeffrey,

When we met on May 7th to discuss my employment package you mentioned you did not want to continue education going forward. As I am sure you are aware I print almost all checks and I continue to see you are helping others with education. I continue to be the sole support for my family financially and am struggling to catch up with all my bills as I have additional dental bills for braces. You always were very generous and paid education for my kids amounting to \$25,000 and I am grateful for it. I would like to kindly ask for your generosity and help me with education or if you are uncomfortable to reinstate education can I kindly ask for a loan in the amount of \$25,000.

Thank you,
Bella
