Parts for bikes are in Tropical shipment to be picked up Mon or Tues

Parts from Everglades which Sharo forwarded were ordered last Tues awaiting arrival date at Tropical

Based on conversation with Boscoe all other parts local purchase and Peter did inform him about the Red Truck on Tues

Boscoe did forward a request early this week which Brice needs to review with him for around \$1,000

As mentioned already Lull repair - need to remove damaged part then assess any other damage, insurance claim maybe the way to go
