hello jeffrey

I do not know why you are not answering but it is your right and maybe you think now that i am a bad girl. but I am back to Paris and good again.. it was 5 months of australian wildness and not anymore now...

I had my first voluntary playing with a girl and guy, and these people were my [REDACTED] and my best friend [REDACTED]. It was the first time for both of them. I controlled the situation completely, remembering how you were doing it when we were with [REDACTED] was so shy because I started playing around with Ben in front of her and then I told her "take off your shirt, you look gorgeous in your underwear" and she did it.... I was telling her or him what naughty things they should do and they were doing it, ahah, it was just absolute control of the situation.... It was unexpected for both of them, it was first time they met too, and all went so GREAT. it was the most amazing foreplay ever for me

thanks again for opening me up to the sexual world, I never knew it could be that fun

ps: new photos from the fields
