Subject: What Sheridan did this week - September 14, 2012

Greetings Mr. Epstein,

What Sheridan did this week:

John Deere gators (2) - changed the brakes on one, the clutch cables on both,
performed an oil change service on both
Dozer D5 – repaired hydraulic system, changed oil
Red dump truck – repaired the brakes
Made hydraulic hoses for small tractor
Made hydraulic hoses for backhoe
Moved tires out of the desal plant into the trailer
Cleaned boats
Installed two new tires on Peter's bike and painted the frame
Dug new hole for dump
Lull maintenance
Small equipment maintenance to keep running - weed eaters, chainsaws, lawn
mowers
Fueled boats
Cleaned the woodshop tunnel
Assisted with securing Big N's ramp and bringing her back to Red Hook

Respectfully submitted,

Daphne
