*Good Morning*

*Reference the staffing at Zorro, meeting Brad, is 3pm today OK  
Given Carlos's family situation he would move off Ranch, he would not be provided a Ranch vehicle, but would receive 1 tank of gas a week  
Brad would move on Ranch as a full time employee at \$30K, with benefits (medical, vehicle for Ranch use only)  
As in the past all employees would be scheduled to work weekends, covering the Ranch at all times  
Warmest regards  
Karen*
