Still checking. Returned from China late last night. Give me until the end of this week.

I FINALLY got you info re your club in Paris - The cercle de l'Union interalliée (Cercle interallié).

So sorry Steve had several surgeries on his jaw and somewhat secluded.

The clubs in NYC that are affiliates are:

- 1) Century Association
- 2) Colony Club
- 3) Cosmopolitan Club
- 4) Latos Club
- 5) Metropolitan club
- 6) Paris American Club

Heard that Harvard Club of Boston has also an affiliation.

I would advise you that you before confirming a membership with any of those double check that this is still valid. I got my info from the women working managing Cercle Interallie but club affiliations sometimes changes.

It is MUCH better that you get a membership in one of those and through that use their pool/facility.

They are keeping membership somewhat capped on 3,100 so there is a huge line to get in (a year). Also they do a background check and if there is any high exposure to media with any negative hint you are immediately disqualified.

Sarkozy is a member of a different much smaller club.

Pls let me know if anything else is needed.

Boris
