Hi Jeffrey,

I just wanted to confirm that I have wired you the repayment this morning. I am sorry that it took a little longer than anticipated.

Most of all I want to express my heartfelt gratitude for your help. Your friendship and good advice means a lot already, but there are a few people who will go the extra mile and give an unsecured loan to a friend in need. It has been a very stressful summer one way and the other, but I am glad to say it is all behind me.

I really need a break and coming to see you would be a huge treat.

As ever,

Mark
