Botstein's assistant knows we said we must play the Sept 7th date by ear...but is just wondering if perhaps this date was looking better for you to be in NY and be able to meet with President Botstein. (Botstein's assistant also knows the weekend of Sept 22/23 would work for you, but still does not know on her end if it will work for Botstein)

Please advise what I should tell Catherine in Botstein's office re Sept 7th...
