Hi Jeffrey! Im sorry but i dont think next week will work for me. Its been so crazy lately for me. First of all i dont know who i would bring. And there r other problems. About 3 weeks ago Bens doctor found out that Ben has HPV. He had genital warts. That means i have it as well even tho i havent notice anything. Im gonna see my doc asap when im back. Need to get vaccinated and see if i have the one w possible cancer. Also my schedule keeps changing literally every day. I dont even know when im gonna be back yet. Its good tho that im working. But yesterday i was in Munich. Shot there for 2 weeks and on wed we shot outside w super strong flash. I had red eyes. And later during the night i was in such a horrible pain couldnt open my eyes. Had to go to hospital in the morning. Luckily evering is ok but had a swollen and red eyes all day so i couldnt shoot. Now im in london till tmrw night. Then back to munih for a day.
