[REDACTED] is asking about redecorating her apt. I'm not sure how extensive you want to allow her to get. She's asking if she should be staying in another apt while her apt is being renovated. She is currently in [REDACTED] which we are moving to [REDACTED] on the 30th. [REDACTED] does not need to be renovated. It has a new bathroom, kitchen, wood floors have been refinished, etc.. Do you want her to stay in [REDACTED] and let her pick out new furniture, repaint if she wants, etc?
