Jeffrey:

I hope you understood my inquiry in the right terms / I am not a paid political mercenary for hire

If your friend (and I clearly understand that he is a personal friend) is about the promotion of a moderate agenda and in support of religious freedoms as well as the promotion of human rights then I would be interested in discussing further

If not, then I would have to respectfully take a pass

In the meantime, I will review the materials you sent me and circle back with you
