I very much enjoy seeing you. I am perplexed. 1. you have great potential, 2, you want my help guidance advice, however you have yet to say thank you one time, , you have yet to bring even a cookie as a good will. most times i try to explain to someone that in return for something i want , i will give , offer, suggest an exchange. the first excahnge bieng a thnk you. . You are sophisitacted beyond your years, and clever, , it leaves me wondering, what i should do. because if i am able to find you an opportunity , will you say thank you, to them, or will i hear regrets. you are out of training, and it very much concerns me
