you know me as well as you are ever going to. I am not sure how or why you now suggest that somehow i now need to try to convince, or in your words make you believe that i would live in a cabin.. I have proven repeatedly that i would I was always willing to do so , i am willing to do so, and will always be willing to do so . telling me that i now, after all we have been through , have to pass a new test , is quite frankly , just wrong. The only reason i left you was that you told me to. go and marry someone else , because you would not. could not. help me. I forgive you for that . I hope you forgive yourself, so we can move forward. I think it best that we meet only when i return from europe. I will let you know the dates when I know.
