Sorry, just realized that my phone internet doesn't wrk for some reason. Here are the numbers I had when you called me from Paris:

██████████ shows France

██████████ (it showed NY as far as I remember, can't check anymore, as I have saved it in the contacts when you first called me from it)

██████████ shows Illinois

Also, I wonder if you have what you need for swimming with you, otherwise I can bring it. Not sure if I can meet you at the airport, if there would be enough space, ext.? Asking now because most likely my brain will be too slow at the time you call me before take off. But please call me!:) LOVVVVVEEEEE YOU*****
