I followed up with Gov Richardson's office re your message for him to deliver to Bob Redford...His assistants know Gov. Richardson has your message for Bob Redford, but are not positive if he has been able to relay it to Redford's office as of yet. Richardson is traveling and it is sometimes hard for him to make calls I'm told...i am also told that Redford's office is typically slow to respond...I will follow up again before the 25th of April...
