Heard word your case with the people in Florida ended. Hopefully that BS is behind you.

On my side, B.S. (Berger Singerman) have been back stabbing scum, and although we signed a settlement agreement, they find new ways each and every day to screw me, and screw with me. It is sad.

On the other side, I have just wrapped a second season of my show for History Channel. It will air I assume in Nov.

I finished a 6 bedroom place I have in Maui as well, which has made for a nice place for many of my friends to visit. although I have been stuck in LA for the past few months.

Had dinner the other night in SF with several people I had met on our trip to your place. Life is about finding quality people.

I hope you are well.
