Jeffrey;

While we are sitting around in the middle of our military lockdown, I thought I would check in to let you know that I had not heard from President Waheed since the last email that I sent to him and you back on March 26th

Just wanted to make sure I updated you

Also, let me know if you have time to catch up to discuss the latest developments in the USVI

President Waheed:

I was just checking in with you. I had not connected with you in a little while and just wanted to touch base.

I wanted to go over the latest developments and the timing of getting into field on the survey research

as well as your latest updates on the messaging development.

Additionally, I was looking to get any political development updates, particularly from the Nasheed side.

I also left a voicemail for Jeffrey (Waheed) today so I will connect with either of you when you have a moment

McGee
