I was thinking of you yesterday...you felt it! :)

I'm waiting for my permanent work permit - I sent the papers one week ago! I now have one year since I'm working for [REDACTED] - and few months since I'm assisting the CEO - no raise yet!! :(

Boyfriend - he's still waiting for me - surprisingly! Me, I would want him to be able to offer me more - financially- but I'm not sure he can take care of me. I'm independent and helping myself alone, though I would do more to be better! Any advice?
