Good Morning Larry,

The Florida Team rose to the challenge working many hours of overtime on the 430 and aircraft should be ready for runs and delivery today at 2:00. We received the seals this morning and while somewhat in question (1995 vintage, and appears to be a PMA part) we will install with fingers crossed...

Attached is the invoice for N331JE this invoice is adjusted for the seal price that I explained to you yesterday.

I have attached wire transfer instructions as well... if you have any further

questions please feel free to contact me personally.

Kind Regards,

David Burch

General Manager
