Last year while on holidays traveling in Florida I needed to go to the emergency room. Not wanting to sit there for 4 hours,

I put on my MAGIC GREEN HAT. When I went into the E. R.,

I noticed that 3/4 of the people got up and left.
I guess they decided that they weren't that sick after all.

Cut at least 3 hours off my waiting time.

Here's the hat:

It also works at Dept. of Motor Vehicles. It saved me 5 hours.

At the Laundromat, three minutes after entering, I had my choice of any machine, most still running.

If you live in Texas , it might cut your wait time at the grocery store.

But...don't try it at McDonald's. *The whole crew ran out*

the back door and I never got my order!
