Subject: Thank you

Hi Jeffrey,

Thank you for considering me for the position. After speaking with Sarah, I understand your concerns regarding training. However, I still believe I would be excellent for this role. I want this position and I have the drive to learn and learn quickly. I would be willing to work for a for a trial period of time without pay. My hope is during this time and after evaluating my work you would reconsider. Let me know your thoughts.

Thanks,
Lena
