never to be an employee, brice used him to decide what equipment stayed and goes. we used a thief to give us advice on what he should take

not sure that we need grounds to fire Kassner however if we wanted to use reason other than obvious we can use email below that he was marking up vendors pricing (\$35 vs \$25 per hour) so he could take a cut (\$10 per hour)
as it turns out this vendor patty washington was listed on bobs paperwork as emergency contact

it appears there may be some confusion as karen had bob fill out IG employment paperwork whereby my understanding was that he was on trial at \$40 per hour as independent contractor

please advise

Quality of work was very good. She scraped 3 boat hulls and the entire dock. It's a reasonable rate for a diver. We were only charged \$25 per hour this time, as previously she was hired through Bob (and he took a \$10 per hour cut). When we dismiss Bob we are probably going to lose her going forward.
