Dear [REDACTED], I'm following up for Jeffrey Horowitz—his recovery from surgery is going very well!

Please ask if Mr. Epstein has any availability to see the new Theatre. I would be happy to arrange a tour for him whatever day during the week is possible. Mornings are best.

Jeffrey may be able to join us but I am happy to show Mr. Epstein over the site personally—

Thank you.

I look forward to hearing from you to arrange for the tour.

James
