I have phoned Tekserve and they the Wacom 22HD in stock. The Wacom13HD which [REDACTED] had liked is only anticipated to be available towards the end of April. I imagine you want to get her one ASAP.

<http://www.tekserve.com/catalogsearch/result/?q=wacom+22>

They have told me that because of the dimensions and weight of the 22HD it is designed to be a stationary tablet whereas the 13 HD will be easier to carry around.

**22HD:**

Dimensions: 25.6" W x 15.7" H x 2.2" D

Weight: 18.7lbs

Price 1999.00

**13HD:**

Dimensions: 14.75" W x 9.75" H x 0.5" D

Weight: Display 2.65 lbs ; Stand 13.5oz

Price 999.00

I will check the size of the box that the 22HD is packaged in and the restrictions for carry on for Svet to ensure there wont be an issue. This cannot be checked in.

I will also forward Julia the software that it comes with (some are just 90 day trials) and see what we need to get in addition to what it already has.
