Hi Jeffrey,

I get all the website stats from both Google Webmaster Tools, and GoDaddy. I will send those charts to you asap.

I can open an account on Stat Counter too if you prefer but it duplicates what the others do.

- I finished uploading new press content on all 9 websites
- New York-ified all 9 with NY language and NY addresses (embedded & exposed)
- listed 9 sites with google business registration
- NOW-- listing 9 sites on local business registration (yelp, Ny yellow pages etc)
- NOW--working on a group of NY Press releases.
- talking to Cecile about getting site links onto other prominent websites.
- lots of other things on my list.

will send you a more thorough update shortly.
