I am in the Dominican Republic with the Fanjuls, Lord and Lady Astor, the Duke of Marlborough, Carol and Earl Mack, Bon Colacello, Wilbur Ross is meant to be coming...Dixon and Ariana Boardman...it's a camp reunion...
We are going to dinner. We are an hour ahead...
I will call you in the morning.

I emailed Gary today. Tomorrow is his birthday. Do I care? I will email him every day. I hate him.

Bernard Saint-Donat had been so helpful. He got me a new accountant who takes care of Sara Jessica Parker, Ann Hathaway and other PR people.... He is very knowledgeable about show biz people. He is doing my taxes. I am leaving Bryan within two weeks. We are bringing in business. I am working harder if that is possible.

I then am calling Alan Grubman on Monday. I want to scare Darin and Bryan and in some way stop the them from using my lists. Or sue? I hate them too.

Other than that, I am totally fine.
Very exciting about Bill Gates.
Where is Melinda?

xoxoxo Peg

Did a great documentary for David Koch at the Explorer's Club last week. Jenna friedman, the new girl I hired to replace Darin is great.
