Thanks for the invitation. I know that with you I am always safe. The guy stole from me 500 euros and I am going to the police to do the report. I spoke with him about it by texting he invented stories saying tomorrowbla bla bla. Monday and Tuesday I will go and see lawyers to press charges for the money that he stole. I am not quitting before every legal option is explored. What a week ! I didn't have time to go to the pool even for 15 min
The guy deserves a lesson
