I met with [REDACTED] last night to look at her apartment.
She would like 4 of the floor lamps below (\$ 390 each). The medium size as we have used in the guest apartment and I have in my apartment.
She would like 3 of the small table size ones (\$220 each). 2 for her nightstands and one for the living room.
Jeffrey they are the same as in the oval office at 71st. But at 71st we have the very large ones. They give good light.

Should I order for her?
