Track hoe, dump truck and back hoe where to be sold, if you wish to retain this type of equipment, would recommend we replace.

I need Travis and Sheridan for the transition to the new space, there is alot of work sorting and clean up.

Travis has the knowledge basis to perform this work. One person can not do what is required I would like to be setup in the new space before the 18th of march, but will not be able to do so if Travis can not assist me

can we retain Travis until then?

do i have your approval to keep Travis on until 15th March and then review,
