Brice,

Why not let us handle bringing the plant material in? Let us know what you're looking for- we may already have it here. If not, we can bring it in and acclimate it at our nursery, then forward it to LSJ and oversee the layout and installation. We are already putting together schematics for a couple of areas anyway.

good morning
can you confirm the companies you use in homestead to obtain plant material
Jeffrey mentioned that you where coming back to apply pesticide, any time frame
given?
