It is a blue box with something inside. It says 'Nabokov Box'. Should I open it. It is on my desk at 301 and I am at 71 st so I can open when I get back.

Have come to the end of the search. It was delivered to Svets address on Friday the 25th at 9.38am.

[REDACTED] told me she had used the 71st street address so I went through the room where deliveries come to 301 with no expectations, but there it was!!

I assume when she gave the postal service Svets number she also gave them her address.

May I let [REDACTED] know we have it?
