■ asked me to help her look for flights. I have spoken to Amex. They say the only flight they have availability on leaves NY at 11.25, gets into San J at 4.20, leaves San at 6.30, gets into st thom at 7 pm. They only had business available on the 1st leg. I have put tickets in hold for ■ and ■ at \$1200 fully flexible per ticket.

Do you want me to go ahead and purchase?
