Greetings Mr. Epstein,

█ and I, with your permission, will come over tomorrow on the 8 am crew run, review what we need to do and figure out what we will need to walk with. Jermaine says there is a desktop in the room, so we input the data of what is there as we reorganize it.

Respectfully,

Daphne

*Good Morning Jeanne,
Confirming that JE has approved for Daphne to start working on filing, shredding &
organizing all the old Lafayette & Construction files that are housed in the LSJ switch room.
Could you please forward times that would work for her to be on LSJ
Thanks
Warmest regards*
