**Subject:** CHATEAU DE VERSAILLES

Hi Jeffrey,

Sorry for my late reply, I am really busy if you can believe me!!!

I am going to call the lady who is the President of the Chateau de Versailles and organize our visit and I will try to find some fun ideas before you arrive.

Soon-Yi called me to let me know that she and Woody are also coming with the girls.

I am going next week to Oman for a few days to catch some warm weather

Are you well?
