Larry inquired on the pilots experience for your Saturday flights via JetSuite on CJ3
It appears that pilots switched over from Phenoms and Citation therefore hours on CJ3 are very limited (see below)
Please confirm it is still ok to proceed with proposed flight

Below are the averages for our CJ3 pilots (we just started flying them in late November):

Total Time in CJ3 = 66.1
Total Time PIC = 50.9
Total Time (career) = 8,384.90

*Averages for the CJ3 pilots

Absolutely! No problem! Most of our CJ3 pilots switched over from our Phenoms and the rest came from Citation. One of the pilots did come from the airlines as his last position. Do you need anymore stats?

Best,

Chris

lower than i expected, however new aircraft for your fleet, this is not uncommon, if I may ask, what other type ratings and other Jets where the PIC's flying before getting checked out on CJ3's

Hey Larry,
Sorry for the delay in responding! We just recently started adding the CJ3s to our fleet in November, so I wanted to get the most up to date data on all of our CJ3 pilots. My Chief Pilot and VP of Operations are compiling that for me right now. I will reach out to shortly.

Best,

Chris

Hello Chris,
I just left you a voice mail,.

I'd like to get an idea of your Pilots experience, such as PIC and SIC total time, and
time in type in the CJ3's for Mr Epstein's potential trip on Saturday.

You can email or call me

At your leisure.

Thank you,
