Subject: Nursing / Vanderbilt

I spoke to a few people - the closest I could get was Charlotte, NC. Never heard back from Dr. Nealon however I am sure if I called him I could get him on the phone. Not sure he's even doing his own email. Kind of an old school surgeon.

But here are a few suggestions that I think will get her closer to a job on her own merits:

Here is where non-employee nurses can sign up for Vanderbilt job fairs and training:

Looks like they are hiring:

There are (today) 149 job openings posted for nurses within their Vanderbilt system:

Here is their general job site with some good advice:
