Jeffrey,

I will have answer and price from JetSuit Charter company this morning, I spoke to sales person yesterday, he informed me that CJ3's are based in North East, they are using Phenom's on West Coast. I am expecting a call from their Chief pilot today to discuss performance and cabin Pressure Differential on the Phenom VLJ aircraft. I will send photos if the Phenom is able to accomplish the flight for your approval.

Should have info later today,.

Thank you,

Larry
