Hi Jeffrey,

Happy, happy, happy, X20 times, birthday. I hope it was festive.

I just cc'd you on my notes to Reputation re: month 2 thus far.

My education site is on the 1st page now-- but the .science site has slipped so I am working on that now (content/ and boosting it with releases). I am adding news widgets to the sites etc.

I will be in touch at the end of the day with a report.
