Thanks, again, Jeffrey...

By the way: I've done some poking around re: funding. Here are some facts:

- 1) Ben drew down 16.5M from the 25M, the rest is being held in reserve (and will be used to kick off the next round of funding, I gather).
- 2) For the next two years, my budget is 3M, the CMO's budget is 3M, and the tech head's budget is 4M, so.. that's 10 right there
- 3) The combined salaries of senior people plus rent comes to about 2M
- 4) The GM is going to be given a budget of about 4M.

This brings us to 16M. So, now I have the opposite worry: There's not really enough being allocated to get to launch.

I will be very interested to be a fly on the wall listening to you and Ben talk about this stuff (I know zip about finance, as you know).

Looking forward to seeing you.
