Jeffery,
Happy Birthday !

GIJ update:

- cleaned pilot / static system and ops checked.
- exchanged the Stab Augmentation computer, per Gulfstreams advise.
- I would prefer to fly the GIJ back to NY when you decided to depart for test flight.

General Dynamics was to busy to trouble shoot the autopilot issue but provided technical assistance on the GIJ, I did located GAMA Aviation at PBI airport with good avionics and GIJ knowledge to accomplish trouble shooting.

thank you,
Larry
