Greetings Heidi,

I'm glad it is ahead of schedule. Did they by any chance forward you a copy of the invoice - so we can check that the information required by Customs is correct.

Kind regards, Daphne

Greetings to All,

The second building is confirmed sailing from Tropical last night, EDA on STT 1/5/2013. When the BOL is available I will forward. The rollup door is booked to sail on 1/9, if it arrives to Tropical by 1/7/13 - which is the plan.

I will keep everyone updated.

Kind regards, Daphne
