Subject: NYC trip in late January

Hi, Jeffrey, and Happy New Year!

1. Email from this address to Lesley at [REDACTED] was rejected. Any idea why?
2. I'll be in NYC from late Jan. 22 to midday Jan. 29. It would be great to see you. One topic: the Open Science movement. I've attended 2011 and 2012 conferences described at www.opensciencesummit.com, and know several of the players. I'll be busy Saturday evening the 26th and most of Sunday the 27th because of my mom's.....*wedding*! Sure, she and her fella have been together for thirty+ years, but I'm concerned they're rushing into things, the foolish kids....

Cheers,
David
