We are renting a speed boat from Tortolla to St Thomas and clearing in near downtown and then drive to airport. Wheelsup is 2pm. If everyone doesn't want to come, maybe we could have the heli just pick up B and I (or whoever else may want to come) from Virgin Gorda which is where we are anchored off now, and bring us to island, then drop us at airport.

Haha. I'm not sure what he wants to talk to you about..he didn't tell me, but has said quite a few times he'd like to see you and talk to you about something.

I'm not sure what time the plane is leaving St Thomas, but will find out. The plan was to take a boat from Tortolla to St T then catch a chartered plane to NY. Apparently the sailboat we're on can't come into US waters, so taking a smaller boat to st T

Im not feeling well , so no overnights, . however , if brian wants to ask me about marrying you, I i will crawl on the beach if necessary. I can send the heli for you , and you guys can come for breakfast. before leaving for the states, or as larry is here, if you want to be picked up in the bvi. and would find the heli a good sarah tool. use it. .

We are on the boat in BVIs till Sat. The group is flying from St Thomas to NY on Saturday. Brian and I would love to come to the island and see you on Saturday and stay for a night or two; Brian would like to speak to you about something as well. We would both like to spend some time with you as it's been awhile...miss you! Would this be OK with you?
