Good day [REDACTED]

I am in office now. Please verify that the Library and [REDACTED] office are still down. If so, can a ride be arranged so that I can solved the problem and still keep to the airport schedule?

Regards

JRuan

Good Afternoon Jermaine

The Internet in the Library and Sarah's office is down. Both access points were up, I rebooted, reset back with no problems.

*Please advise if there is anything further I can do, otherwise the first boat tomorrow will
be at 8am*

Thanks

Warmest regards
