one minute i am trying to console my dying friend because his hair fell out, in bed, and the next i am listening to a discussion and complaints about holding hands, ---" why did you say it was intimate, (i said something as simple as holding hands could be intimate, just as the right look could, , However this is not the type of interaction i intend to have again, after you strongly ask to come , i say of course you now suggest oh om sorry i didn't realize that you needed help. i thought that you might want to hold her hand, and you know , i have to study, so maybe it best if i don't come, .
