Jeffrey,
This is what I learned from Darren Rothell,
Owner of the GIV from France is Michael Dezer, (Vegas/Miami developer), he did receive a
\$12M insurance check, over insured the aircraft,. Michael Machauley was trying to convince
Dezer to purchase two GIV's for \$6M each for charter. However Dezer is looking into a GV
deal with his insurance money.
Not sure how factual this is, Darren knows Dezer's chief pilot.

Thx
Larry
