Peggy

He can call me when he has a chance. Anytime I have tried in the past I did not get returned call.

Katia

As I had mentioned previously mentioned I wanted to pay Peggys income tax through withholding. To keep her on a protect basis I need the federal to be \$109000 and the NY state and city to be \$45000.

The amounts could be lower if I know about what the income form the company will be. Do you have any estimate of additional revenue that will be received this year? Also do not forget about the calculation of her share and the impact of the NYC tax calculation.

Maybe if you have a minute we can talk about it. Is today a good day?
