Jeffrey,
Gym
-sub is working, I removed the blown sub and used the powered sub from hanger. Better sound.
EQ is still wired, subs are being played direct from receiver,. When I ran subs thru EQ, volume for subs was very low,. I didn't adjust EQ,.

5palms:
-Sub is re-installed, receiver in 5 palms is "Airplay"
-Piano foot pedel installed, but doesn't operate as normal piano foot pedal with sustain, it is working oposite and has other synthesizer functions.

Do you want to inspect other equipment on lsj now, or tomorrow?

Thx
Larry
