Sad News

CNN reported today that Walt Disney's new film called "Jet Black," the African-American version of "Snow White" has been cancelled. All of the 7 dwarfs: Dealer, Stealer, Mugger, Forger, Drive By, Homeboy, and Shank have refused to sing "Hi Ho, Hi Ho" because they

say it offends black prostitutes. They also say they have no intention of singing, "It's off to work we go."
