Great news! I have almost all amount for tuition (not counting the living expenses).
The only problem now is that until August 11th I still need to transfer \$3,517 to the Juilliard bank account for the first semester, but I have difficulties with making a wire transfer from my bank account.. I had to update my contact information in order to enroll in the wire transfer service and now I have to wait for 3-5 business days for bank to update the information in the system. I don't know if I can make it in time.. I think I will need to contact the school, but I'm afraid they might make me some additional charges for being late to pay...
